

# Lovibond® Colour Measurement Tintometer® Group

## Juego de filtros rojo, amarillo, azul de Lovibond® (Fx)

Referencia No: 169620

Conformance filters are assigned a nominal value and the company always endeavours to match this value as closely as possible. On occasion, because of the unique manner of the glass making process, it may not be possible to match the requested values exactly. The values achieved and the performance tolerances expected will, of course, always be reported.

### Juego de filtros rojo, amarillo, azul de Lovibond® (Fx)

A set of five glass conformance filters for checking Model Fx instruments in Lovibond RYBN scale.

#### Datos técnicos

Glass Standard Values	Approximate Values
